

COACHING PACKAGES AND PAYMENT AGREEMENT

Thank you for your interest in my coaching services!

Your Initial Strategy Session can either be one or two hours depending on your needs. A 1-hour session is \$150 and a 2-hour session is \$325.

After the Initial Strategy Session, you must purchase a package to continue coaching with me. This helps create commitment to the process of coaching as an investment of time, energy and focus and will help you push through any resistance that may arise to try to keep you from your breakthrough.

I prefer to tailor each coaching package to your specific needs but the following are general options that are available. We can negotiate something different if needed during your strategy session.
